

1943, I left to serve my country in the United States Navy in World War II. I served from 1943 to 1946.

After returning from the service I married my childhood sweetheart, Glenna Duke on August 1, 1947. Three children were born of this marriage, Diane, Allen, and Steven.

I attended LDS Business College from 1951 to 1953 in Salt Lake City, Utah.

I returned to Heber City and became manager of a Conoco Service Station, which I operated for three years. In 1955 I took over the distributorship for Wonder Bread Co. and worked in this capacity for twenty-five years. In 1979 I was elected to the office of Wasatch County Assessor and re-elected in 1982 and 1986. I have been an active volunteer fireman for twenty-eight years.

DONNA MOULTON DAYTON 1930

I was born in Heber City, Utah on May 21, 1930 to Hyrum Moulton and Mary Catherine Hicken. I was educated in Heber Schools, and graduated in 1948. I have lived my life in Heber City, within 2 blocks of the Heber 2nd Ward chapel.

I married Earl D. Dayton, son of Forrest and Nellie Giles Dayton in 1954 in the Salt Lake City Temple. He is the principal of the J.R. Smith School in Heber and has sung at many funerals, alone and with his sister Merle Rasband.

I have done miles of sewing, written many poems, played the piano, helped out with the High School functions for six children's High School Days, making drill team outfits and following Wasatch Drill Teams all over the State.

Earl has always been a great sports fan, playing baseball and tennis and golf, so we have spent lots of time watching sports. We are avid BYU fans and go to every game and enjoy doing these together.

Our six wonderful children have given us much joy with all their accomplishments. We have six beautiful grandchildren.

We love the gospel. Our lives have been full of church, family sports, music and dance. We love fun and teasing, and yes, on many occasions I have run away too. We love one another and have been blessed beyond measure for loving the Lord and the gospel and pray that our children will say, "We, too, were born of goodly parents."

HENRY RUFUS 'BOOD' HICKEN 1885

Bood was the son of Thomas Hicken and Sarah Jane McMullin, born on September 29, 1885 in Heber, Utah. He was first married in California to Mabel Stevens. She had two children from a former marriage. After her death he came back to Heber and he married Hazel Bell Smith on September 29, 1938.

Bood was a barber by trade and gained many friends through it. He barbered with his, brother Warren Hicken. He went to San Diego and worked with his brother-in-law, Ellis Murdock, in his shop. He and Hazel took up golf with Fern and Ellis and really enjoyed the game. During World War II, barber business was poor as many men were in the military, so Bood started to paint. He did this until Ellis and Fern returned to Utah and he bought out Ellis' barber shop.

They stayed in California another two years and then moved back to Utah and bought a house in Provo. There he set up barbering again. They left Provo and moved to Heber where he bought a duplex house next to Ellis and Fern Murdock where he set up a barber shop in the west side and continued working until his health failed him.

Bood was very adept at housecleaning as Hazel had poor health for many years and he was so good to her and took care of her. They enjoyed life and family, her two children by her first marriage and their grandchildren and their many friends. They were sealed in the Temple on November 27, 1967.

Hazel and Bood, finally unable to care for each other went together to the Heber Valley Rest Home where Hazel died and later her devoted husband joined her on December 19, 1980.

SARAH ELIZABETH HICKEN SCOVIL 1887

'Lizzie' was born September 12, 1887 at Heber City, Utah, daughter of Thomas and Sarah Jane McMullin Hicken. She treasured the memories of her early childhood in Heber all her life.

In the early spring of 1902, when she was fourteen, the family left their homeland and went north to colonize in Canada. They travelled eight hundred miles with all their earthly possessions on a narrow gauge railway train. The train travelled so slowly that they could jump off, pick wild flowers along the way and
